Nursing is a calling. Thank you for your commitment to making healthcare in our community stronger! Not all RN positions were created equally, but we think you're going to really like ours. Here's why:

At Exeter Hospital, our Med/Surg Nursing team is both grounded and progressive, with a focus on relationship-based patient care, innovation, and opportunities for learning and skills development within a safe, stable, and collaborative environment.

OH, AND HAVE YOU HEARD ABOUT OUR *Sign-On Bonuses?*

We are offering up to \$10,000 for RNs with 6 months or more experience, and \$6,000 for RNs with less than 6 months experience through 9/30/2022!

ABOUT YOU

If you love a collaborative and comprehensive healthcare environment, where you will practice nursing the way you know it should be - clinically excellent, compassionate, and progressive; if you love making a difference in the lives of patients and their families, you'll love working as a Registered Nurse within the Exeter Hospital Med/Surg Department...and we'll love having you!

We invest in our employees. We'll make sure you are supported and well-cared for as you care for our patients and their loved ones. Our benefits package is extensive: find out more [here](#).

ABOUT US

Our approach to patient care is proactive and comprehensive. Our Nursing team on 4 East provides care in a 20-bed medical-surgical unit with a focus on cardiac patients.

Our Magnet Designation from the American Nurses Credentialing Center means our nurses are recognized for their quality patient care, nursing excellence, and innovations in professional nursing practice.
